

"Your course definitely had an impact on my preparation and it was a very worthwhile experience, since I passed the MOC in Psychiatry!"

- CARLOS DIAZ, MD, PONCE, PUERTO RICO

"I passed the MOC Boards! Your three-day course and only 1 week of studying were all I had time for, but clearly it was enough. I will not hesitate to recommend your review course to colleagues!"

- SCOTT LAUZE, MD, SAN FRANCISCO, CA

"Excellent course which provided me the focus needed to prepare for the boards in a very effective manner."

- MARCIA SMOLIN, MD, WALDOBORO, ME

"It allowed me to focus my study and have concentrated material which is especially important when trying to balance study, practice and family."

- JOHN TIMKEN, MD, SHILLINGTON, PA

"I highly recommend this review to anybody who will prepare for MOC exam or for their practice. Thank you very much!"

- ANGELINE DE GUZMAN, MD, SANTA MARIA, CA

"I would have had a difficult time taking out the time for review without the organization of the course."

- TERRY VAUGHN, MD, PRESCOTT, AZ

"This course is very informative. You will feel confident in passing the exam after taking this course. A good investment indeed!"

- AMADON DIZON, MD, FARGO, ND

"This course helps you focus on what is important for the exam."

- ELIZABETH MIXSON, MD, ATLANTA, GA

"Very intense and fast paced, but well worth the effort."

- TADEUSZ RACHWAL, MD, NEW BRITAIN, CT

"I am quite happy that I decided and attended this review course. I think this course is organized in a better way than many CME courses I have attended."

- TIMOTHY VO, MD, FARGO, ND

"This is a great course, well worth the money. It makes preparing for the Recertification Examination a manageable task."

- RANDY READLING, MD, MOCKSVILLE, NC

"This is a great review of psychiatry. The instructors do a great job at narrowing the scope of topic discussions to what should appear on the exam (MOC). Thank you for providing this course!"

- ALISA MARTIN, MD, JACKSONVILLE, FL

"Great way to get a refresher course. Gets you motivated and increased my confidence level."

- DANIEL CHERVONY, MD, TAMARAC, FL

"Jack is the perfect teacher - competent, kind, firm and calming for unruly, anxious exam takers. He has chosen other great lecturers. All had a good sense of humor to get us through this insanity."

- DEIDRE CURREN, MD, FLORENCE, MA

"I appreciate the obvious care and respect for the time invested by busy professionals. Dr. Krasuski's clarity and conciseness as a communicator & educator is phenomenal."

- PAM FORBES, MD, ROSWELL, GA

"This course has a high reassurance value. It not only settles the anxiety about the MOC exam, but also provides refresher material. There was actually a lot of opportunity to update one's knowledge."

- SUNDAY ILECHUKWU, MD, NORTHVILLE, MI

"This course was an excellent, well-organized review. It was very informative and clinically relevant. I would highly recommend it to others interested in the board recertification review."

- SHANI ALAM, MD, AUSTIN, TX

"An excellent 'crash course' in psychiatry. Very organized and professionally done. Good for board preparation and to catch up on what's new in psychiatry."

- KEN CASIMIR, MD, MADISON, WI

"Very helpful for my review & very practical despite time constraints. The best in my opinion. I will certainly spread this to my co-workers!"

- ANGELINA DECASTRO, MD, FRESH MEADOWS, NY

"Reduced my anxiety tremendously. Gave me the structure needed to study efficiently on the exam."

- DENNIS RHYNE, MD, INDIANAPOLIS, IN

WITH THE #1 COURSE IN PSYCHIATRY MAINTENANCE OF CERTIFICATION EXAM PREPARATION

HELPING YOU MAINTAIN YOUR SUCCESS

This comprehensive review course is specifically designed to help you prepare for the Psychiatry Maintenance of Certification (MOC) Board Exam by providing all the materials you need and addressing all aspects of the exam. Once you've taken the course, you can feel confident that you're ready to take your MOC exam — and we guarantee the results with the Triple Trust Guarantee!

COURSE OBJECTIVES

1. Conduct a comprehensive review of Psychiatric Etiology, Psychopathology, Diagnosis and Treatment.
2. Demonstrate ability to discuss and describe the following:
 - Psychiatric evaluation and diagnosis of the major psychiatric disorders
 - Clinical neuroscience and etiology of psychiatric disorders
 - Psychopharmacologic treatments of psychiatric disorders
 - Psychotherapeutic interventions
 - Suicide and homicide risk management
 - Psychological issues related to age, gender and culture
3. Provide improved patient care through having thoroughly reviewed current psychiatric knowledge.

COURSE COMPONENTS

1. **Focused Topics:** The course focuses specifically and exclusively on the topics covered in the MOC exam — and nothing else.
2. **Proportional Time:** The amount of course time devoted to each topic is in direct proportion to number of board exam questions in that area.
3. **Exam-Style Questions:** Practice questions are presented and analyzed live at the course to illustrate the teaching points and deepen your retention.
4. **Online Practice Tests:** You receive password-restricted access to hundreds of online MOC Board style questions, which you'll answer in the same format as the actual Board.
5. **Online Lecture Review:** Every course lecture is videotaped and you get access to all of them as streaming video on the Web. Review the lectures until the time of your exam as often as you like.
6. **CME Included:** Earn up to 25 AMA/PRA Category 1 CME hours. Ask if your group/employer will cover the cost of this CME activity.
